  - The owner of 35/37 Northeast Maple Street (between Secatogue Ave. & Dexter St.) requested a change in street name as there is a good deal of confusion for deliveries of all types including medications, emergency police/fire/ambulance calls with Maple Street (between Secatogue Ave. and Harrison Pl.). A proposal to rename it Dexter Street, as it intersects and appears to be a continuation of Dexter St., seemed to make sense as long as there are no conflicting house numbers. The Village will follow up to enact this change.

Farmingdale Village Hall  
361 Main St  
Farmingdale, NY 11735

To our friends of the Farmingdale Village Hall,

We would like to extend our heartfelt thanks for all the food you collected and donated in your food drive. Your support means so much to us and plays an important role in reaching out to those who are facing difficult circumstances in our community. Through your kindness, individuals are reminded that their community cares and stands with them during challenging times.

In November alone, we were able to assist 889 individuals by providing meals, essential items, transportation, and supportive guidance. These services are only possible because of people like you who choose to make a meaningful difference in the lives of others.

May God bless you for your thoughtfulness and commitment to serving others. Your support helps restore hope and reassurance, allowing those we serve to feel encouraged and valued. We are deeply thankful for each of you and for the compassion you bring to our community.

Sincerely,

Jeana M. Lewis
